Attaché 7 and Your Accountant

Free professional training session

In conjunction with Attaché EOY Training Seminars

9:00 am – 10:00 am (dates and locations below)

This session is for certified accountants in public practice, and we are encouraging your Attaché clients to attend as well. Together you'll learn how to make end-of-year financials and BAS reporting easier for you both.

Attaché 7 Introduction

An overview of Attaché 7, to familiarise accountants with the key elements of the Attaché system.

Recommended Reporting

Attaché 7 includes numerous reporting options. We'll look at reports that are particularly useful for accountants and how those reports can be easily output in various formats, including Excel. We'll also preview new reports that will assist accountants with EOY.

Bonus

Each accounting firm will receive a free audit copy of Attaché 7, plus training and Helpline support if required.

Win a Nintendo Wii!

Register to attend before 15 May (ideally with your Attaché clients) and go into the draw to each win a hot new Nintendo Wii game console. Hours of fun guaranteed!

Using Attaché 7

For accountants who want to view your data using a free audit copy of Attaché 7, we'll demonstrate how to transfer data, run reports, drill down and make adjustments.

Q & A

To complete the session Attaché's National Training Coordinator will conduct an open forum to answer your questions.

Attaché EOY Training Seminars

Attaché 7 and Your Accountant is the first session of our EOY Training Seminars, held throughout Australia each year for Attaché customers.

Accountants attending **Attaché 7 and Your Accountant** are invited to continue on to the **Accounts EOY** and **Payroll EOY** sessions, which conclude at 2:00 pm.

More information can be found on the Attaché website:
